Grammar Week 4

We are going to revise using capital letters and full stops for statement sentences. Follow the link to remind yourself about statement sentences.

Statements

Statements are sentences which tell you something, like a fact. They should contain a verb, a noun and usually end with a full stop.

Birds have feathers.

Kia had beautiful light and dark blue feathers.

Now write some statement sentences about nocturnal and diurnal animals or from the story.

Remember:

Use a capital letter at the start of every sentence.

Use a full stop at the end of every sentence.

Use some adjectives (describing words) to make your sentences interesting.
