MFL	Unit 4 Portraits
Music	Exploring lyrics, melody, rhythm and pulse linked to our topic work in history.

How you can help at home:

Your child has a home/school planner. These give you information about your child's class as well as suggestions on how you can help at home. Please sign and date the planner every time you hear your child read.

Please ensure your child:

- Brings their home/school planner into school everyday
- Completes and returns homework tasks on time; homework is usually due in on a Wednesday.
- Learns the tables set for homework each week and uses their Rock Star Tables log in to access tables work.
- Reads for a minimum of 15 minutes a day.
- Completes any extra individual work set.

Working with your child to practise the school's cursive writing style will also benefit your child.

Please help your child to complete homework tasks e.g. help with learning spellings, completing projects, giving them time to read, discussing talk homework and working through maths homework.

Things we need:

- Any objects/information to help with our topics.
- PE kit for our lessons every Wednesday
- Year 4 children need their swimming kit every Tuesday morning.

Thank you, your help and support is very much appreciated. If you have any concerns please don't hesitate to contact me.

Miss Strophair
