

Science

I hope that your sunflowers and broad beans are growing and that you are continuing to record their growth on the charts from last week.

This week you are going to sequence the growth of a plant.

Learning Objective: To sequence the growth of a plant.	
Success Criteria	Self Assessment
• I recognise that there are different stages in the growth of a plant.	
• I understand how to plant a seed.	
• I can sequence the different stages correctly.	

Cut out the pictures below and place them in the correct order on the chart.

Fill the plant pot
with soil.

twinkl.co.uk

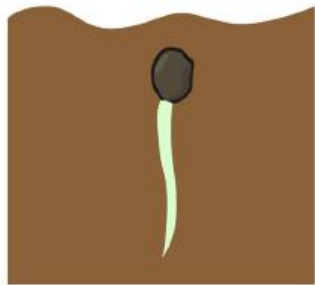

Plant the seeds into
the soil.

twinkl.co.uk

Using a watering can,
water the seeds.

twinkl.co.uk

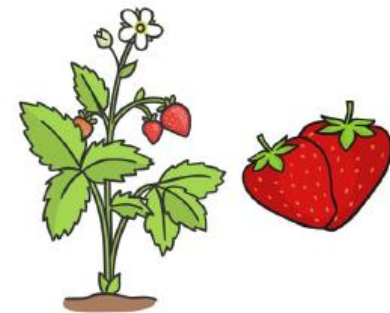

The seeds begin to sprout
and grow.

twinkl.co.uk

The plant grows and
begins to flower.

twinkl.co.uk

Fruit then grows on
the plant.
