

Learning Objective:

To be able to use different techniques to create a piece of art.

Success Criteria

Self Assessment

- To consider different colours.
- To think about materials that could be used.
- To reflect on the design and technique to get the desired result.

Over the last few weeks children everywhere have been painting and drawing rainbows to help spread cheer to others during time spent in our houses. This week can you find different ways to be creative with a rainbow. Challenge -just how creative can you get?
