

Y6 English - Week beginning 20th April 2020.

Day four - Planning a letter.

Tomorrow you're going to write a letter to Mrs Summerson and Mr Soulsby. In your letter you're going to tell us all about what you have been doing whilst you have been at home, what you're looking forward to, basically anything you would like to tell us really. Although at times we know it will have been tough we also know that you will have been having lots of fun and being able to spend some wonderful, quality time with your family.

Remember:

This will be an informal letter so you can use chatty language.

Write in paragraphs.

Include rhetorical questions.

Include lots of adjectives to make your letter interesting.

Don't forget to sign off at the end.

Use the letter from Mrs Summerson and Mr Soulsby to help you.

Day five - Using your plans write your letters.

We're looking forward to reading them.
