

Year 6 Easter activities.

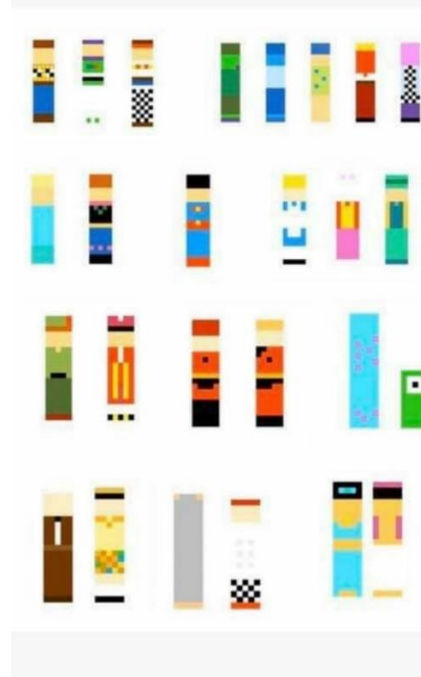

Decorate an egg. You might even like to create a scene to go with it.

Organise a treasure/Easter egg hunt around your house. Decide what you're going to hide - whether it's chocolate eggs or something you have made (anything you want.) Then ask members of your family to find them.

(Don't be like Mrs Summerson and Mr Soulsby and forget where you hid them!) 😄😄😄

Identify the Disney films:

Play a board game.

Facetime/phone a member of your family/friend to check that they are okay and to let them know that you are thinking of them.

Enjoy an indoor picnic.

Make chocolate Rice Krispies cakes (or any alternative.)

Make an Easter card for your family. Make it as bright and colourful as you can. You could even send a member of your family/friend a picture of your card to wish them a happy Easter too.

Design a quiz for your family. You will need to think of a set of questions. E.g. What is your favourite song? Try to guess each other's answers and keep score. There could be a prize for the winner or even a forfeit for the person with the least points.
