Billy thought his sunflower was as tall as the sky.

Page 4

3. How had the leaves changed?

The bright green leaves were not as green as before.

4. What did Billy ask Dad?

He asked dad what he thought was wrong with the sunflower.

5. What part of the sunflower was turning brown?

The leaves were turning brown.

6. Which part of the sunflower had bent over at the top?

The flower at the top of the stem was drooping and bent over at the top.

7. Why did Billy run inside to Mum?

He ran inside because he was upset that his flower was turning brown and he was worried that it would die.

8. How did Mum help Billy name two things?

1. Mum dried his tears.

2. She explained about autumn and told him that winter would be too cold for the flower to survive.

or She helped him collect the seeds and place them on the bird table for the birds.

9. Which words tell you that Billy cared about his flower?

Billy said he didn't want his flower to die.

10. Why did Billy say my flower is raining?

Billy said his flower was raining because the seeds were falling from the head of the flower just like rain falls from the sky.
