

*Learning Objective*  
*To create a picture using shapes.*

<i>Success Criteria</i>	<i>Self-Assessment</i>
<ul style="list-style-type: none"><li>• <i>Understand what a positive and negative shape is.</i></li></ul>	
<ul style="list-style-type: none"><li>• <i>Draw shapes.</i></li></ul>	
<ul style="list-style-type: none"><li>• <i>Arrange shapes to create a pattern.</i></li></ul>	

*You will need:*

*2 pieces of paper - preferably different colours but if they are both white you can add colour to them later.*

*A ruler.*

*Glue.*

*Scissors.*

*Coloured pencils/pens if the paper is white.*

*Follow the link below to discover how to create your artwork. How many different designs can you make? Don't forget to upload them to Seesaw so that we can see them.*
