*Over the next few weeks, we are going to be studying Andy Warhol and his work. We will be creating artwork in his style but before we do that, we need to know who he is and what his style is.*

*This week we would like you to find out just that. Who is he and what type of art does he produce? To be able to do this use the uploaded PowerPoint and the links below to find out about Andy Warhol. The first link is the video on the PowerPoint. When you have found out your information create a fact file all about him drawing on your knowledge of using layout devices that we used in English last term. E.g. text boxes, sub - headings, bullet points, pictures etc.*

*We can't wait to read them on Seesaw.*
