

FRIDAY

Harry has collected some football cards. When he rounds the number of cards he has collected to the nearest 100, he finds he has 200 cards.

- What is the largest and smallest number of cards that Harry could have?

When Harry divides the number of cards he has by:

- 2, the remainder is 1
 - 3, the remainder is 1
 - 4, the remainder is 1
 - 5, the remainder is 1
 - 6, the remainder is 1
-
- How many cards does Harry have?
