<i>Learning objective</i> To listen carefully to music and notice differences in genres.	
<i>Success criteria</i>	<i>Self-assessment</i>
<ul style="list-style-type: none">To listen carefully to two different songs and listen for differences in instruments, tempo, lyrics.	
<ul style="list-style-type: none">To think about how different styles of music may make people feel differently.	
<ul style="list-style-type: none">To consider how music can create images in the mind of the listener.	

I would like you to listen to the two following songs and answer the questions below for each of the songs. I would like you to listen carefully to each of the songs and take note of the similarities and differences, and how each artist has created such a different effect.

Song 1: [\(9\) Say Something - A Great Big World, Christina Aguilera \(Lyrics\) 🎵 - YouTube](#)

Title of this piece of music:

1. When I listen to this music, it makes me feel -----

2. Colours I imagine when I listen to this song are -----

3. Pictures and scenes I imagine when I listen to this song are -----

4. Do you think you will be humming this song later? Is it catchy? -----

5. Who do you think would like this piece of music?

6. Can you write some of the lyrics from the song which stuck out to you?

7. How do you think these lyrics could make people feel?

8. Do you think that it is always the case that lyrics make you feel a certain way, or does it depend what the beat and tune of the music is too?

Song 2: [\(9\) Clean Bandit - Rather Be \(Lyrics\) feat. Jess Glynne - YouTube](#)

Title of this piece of music:

1. When I listen to this music, it makes me feel -----

2. Colours I imagine when I listen to this song are -----

3. Pictures and scenes I imagine when I listen to this song are

4. Do you think you will be humming this song later? Is it catchy? -----

5. Who do you think would like this piece of music?

6. Can you write some of the lyrics from the song which stuck out to you?

7. How do you think these lyrics could make people feel?

8. Do you think that it is always the case that lyrics make you feel a certain way, or does it depend what the beat and tune of the music is too?
