<ul style="list-style-type: none"> <li>• <i>Choose a song.</i></li> </ul>	
<ul style="list-style-type: none"> <li>• <i>Decide on the message the song creates for you.</i></li> </ul>	
<ul style="list-style-type: none"> <li>• <i>Record the message of your song.</i></li> </ul>	

*Your task this week is to create your own musical moment. You need to research a song that may motivate you, inspires you, means something to you or just makes you smile. Think about if the song has any deeper meaning to it. Then you need to write about why that song is important to you or what meaning the song has.*

*You can write this down on a piece of paper, you can record yourself or put the song you chose on SEESAW and tell us all about it. Again year 6... BE CREATIVE! You may want to do a colourful and creative mind map of what your song makes you feel etc.*
