Last week, we started to learn about the famous pop artist Andy Warhol. This week, I would like you to create a piece of artwork in his style as below.

To do this you will need a piece of A4 paper. With a ruler, split your page into 4 squares as below. Once you have done this draw the same picture in each box (the picture can be anything you would like it to be.) Then experiment with shading and colour as Andy Warhol did in his pictures.

We can't wait to see them on Seesaw.
