

Friday – Music

Today we are going to be looking at musical instruments.

Have a look through the musical instruments photo slides.

How many musical instruments can you name?

Your activity today is to make your own musical instrument.

Have a look at this video from Cbeebies for some ideas.

In school, we will be making maracas using empty bottles and rice which we will then decorate before shaking along to some music.

Take a photo or make a video of your creation. You might want to explain how you made it and the sounds that it makes!!!

I think this will be a fun activity!!!
