

Thursday 25th February 2021

Learning Objective:

To produce a fact file about The Holy Island of Lindisfarne.

Success Criteria:

- Know about the importance of this Christian building.
- Recognise its most significant landmarks.
- Understand why the Vikings raided Lindisfarne.

Research and produce a fact file about The Holy Island of Lindisfarne.

- Include details about the history of the building, explaining why it was built and who lived or worked there and why it is significant in the history of Christianity. You can then go on to explain about the building as it is today and what visitors can expect to see when they visit.
- Include pictures or drawings in your fact file and ensure your information is presented neatly and carefully.
- Use the template below to help you.
