<i>Learning Objective</i> <i>To create a letter introducing yourself.</i>	
<i>Success Criteria</i>	<i>Self Assessment</i>
<ul style="list-style-type: none"><i>To think about your many positive qualities, and decide which ones you would like people to know you by.</i>	
<ul style="list-style-type: none"><i>To consider what makes you, you. Is it hobbies you have? Friends? Education? Include what is most important to you.</i>	
<ul style="list-style-type: none"><i>To briefly consider what you would like from your future, keeping in mind how quickly these plans change.</i>	

I would like you to write a letter “introducing” yourself. I would like to know which parts about yourself you are most keen for people to know you by, this could be your hobbies and interests, your personality, your friendships, whatever you think is the most important. It is often difficult to think of all of the positive things about ourselves, so this is a great opportunity to reintroduce yourself, to yourself, to remind you of how fab you are!
