Learning Objective To generate questions to use in a classification key.		
Success Criteria <ul style="list-style-type: none"> Identify vertebrates by observing their similarities and differences. Use these to identify vertebrate groups. Use questions to sort animals in a key. 	Self Assessment	

Use the questions below to identify the vertebrate groups.

Now have a go at creating your own classification key. The first question has been done for you.

Can you think of any other animals that could fit at the end of the key?
