

Thursday 18th March 2021

Learning Objective

To change nouns and root words into verbs by adding the suffix -en.

Success Criteria

Self-Assessment

- To correctly add the suffix -en to root words.
- To use spelling rules to find a pattern for adding the suffix -en.
- To write sentences including -en spelling words.

Below write 5 spelling words ending with the suffix -en:

1. _____
2. _____
3. _____
4. _____
5. _____

Can you insert the correct -en words into the following sentences:

1. You always _____ up my day!
2. I need more fabric because I need to _____ my wedding dress.
3. I will keep adding more flour to my batter because I need to _____ it.
4. My Mum is always trying to _____ her hair.
5. I am trying to _____ my garden as it is on a hill.

Can you now write your own sentences including -en words:
