Friday 23rd April 2021

Learning Objective *To create a classification key.*	
Success Criteria	*Self Assessment*
• *Identify the characteristics of living things.*	
• *To show the characteristics of living things in a table and a key.*	
• *To use the characteristics of living things to sort them using a classification key.*	

Rainforest Habitat Classification

Record which living thing has each characteristic by putting a tick or a cross in the table. Write your own questions in the last two boxes of the table. Next, use your table to help you to create a classification key.

	jaguar	tapir	toucan	fruit bat	hummingbird	tree frog	anaconda	caiman
Does it lay eggs?								
Does it have scales?								
Does it have wings?								
Does it have a beak?								
Does it have legs?
