L.O: To investigate my favourite type of pizza.

Success Criteria:

- To know that products are designed for different purposes.
- To know that the products purpose affects the ingredients used.
- To draw my favourite pizza and its packaging.

Make a list of all the different types of pizza there are:

When do people eat pizza?

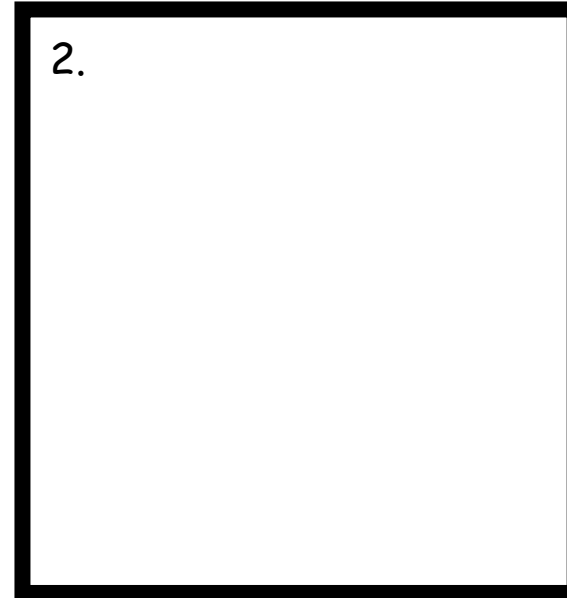

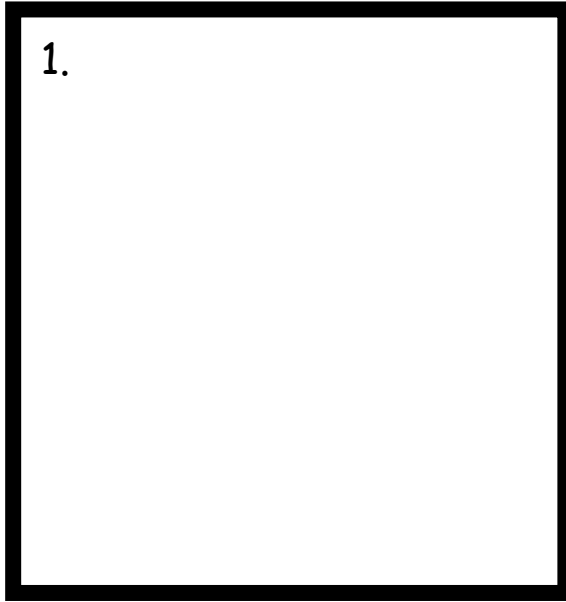

For what reasons do people eat pizza?

What shapes and sizes do pizzas come in?

What tastes, textures and toppings do pizzas have?

My favourite pizza

Draw a picture of your favourite pizza in box 1 and draw its packaging in box 2.

Is your favourite pizza sweet, savoury, plain or sandwiched?

Describe the packaging and anything that stands out about your pizza.

Has anything been added to the pizza base? E.g. Is it plain, wholemeal or has it got a stuffed crust?
