

Learning Objective:

To answer historical questions.

Success Criteria:

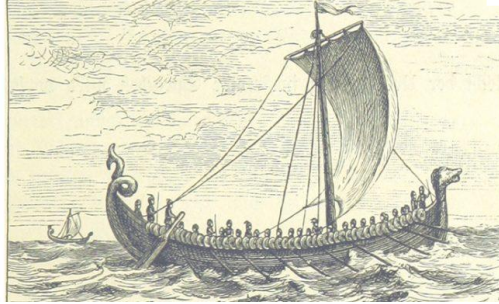

- Predict answers to given questions.
- Work with a talk partner to discuss ideas.
- Create your own historical questions.

What is this?

What is this boat used for?

Why was there a figure head at the end of the boat?

How many men could you fit in a boat?

Why is the boat long and narrow?

How is the boat powered?

Why were shields tied over the side of the ship?
