Learning Objective

To recognise positive and negative changes to the local environment.

Success Criteria

- Identify dangers to wildlife.
- Suggest how to have a positive effect on the local environment.
- Draw and label how you will help protect living things.

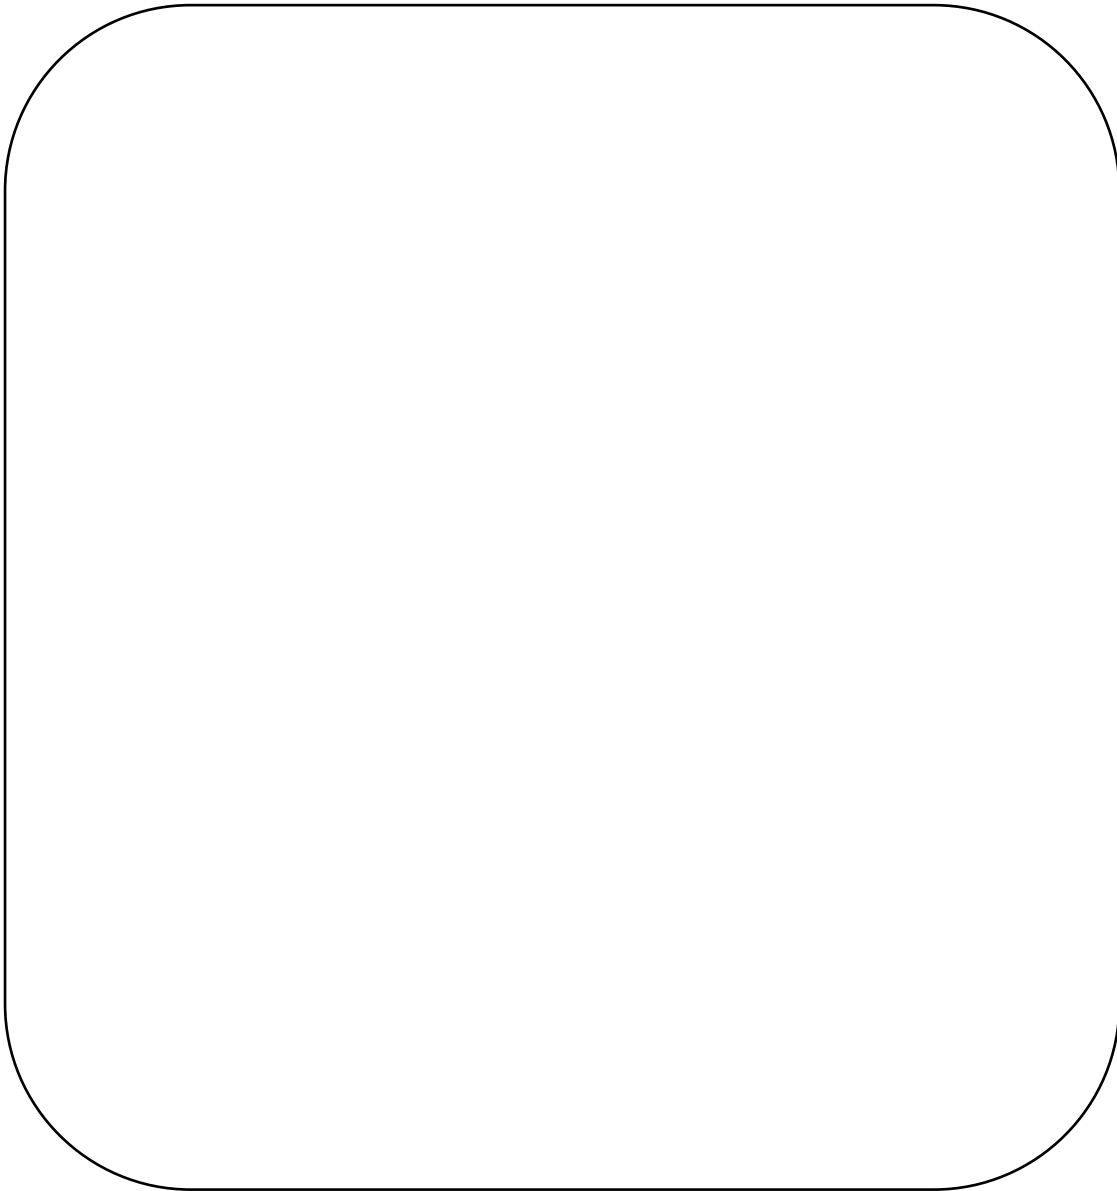

Self Assessment

What dangers to living things can you see in the pictures below?

Draw and label your idea for helping the local habitat.

A large, empty rounded rectangular box with a thin black border, intended for a student to draw and label their idea for helping the local habitat.

How will it protect living things?
