

Colours of the Wind (Pocahontas)

(INF) Inference

Name(s): _____

Date: _____

1.) What does the phrase 'and for once never wonder what they're worth' suggest about how some people think about nature?

2.) What does the phrase 'we are all connected to each other, in a circle, in a hoop that never ends,' tell us about the way in which nature works?

3.) What lines tell us that no matter what race or colour we are, we have to work together to keep nature safe?
Make sure nature isn't destroyed?

4.) What does it mean by learning things you never knew if you 'walk the footsteps of a strangers'?

5.) Why are the rainstorm and rivers described as brothers?

6.) If you owned the earth, what would do to keep nature from being destroyed?
