

Art Task

You are going to have a go at creating your own Anamorphic Illusion picture.

Anamorphic Illusion is an art technique used to create a 3D feel to your drawings.

Watch the video (link below) and follow along with the drawing tutorial so you can practice and get an idea of the artwork you will be creating.

https://www.youtube.com/watch?v=LcWLe_f-wQk

Then we would like you to have a go at your own Anamorphic Illusion. There are some examples shown below...be creative!
