

Wednesday 14th July

Learning Objective:

To know that light from the sun can be dangerous and that there are ways we can protect our eyes.

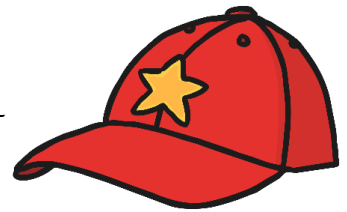

Success Criteria:

- Explain the benefits and dangers of the sun.
- Explain about UV light and its dangers.
- Describe ways to protect our eyes from the sun.

Sun Safety

Design a pair of sunglasses or a sun hat that will protect your eyes in the Sun.

A large, empty rounded rectangular box intended for drawing or writing a design for sunglasses or a sun hat.

Now make a poster to advertise your sunglasses or sun hat. Give your sun protection item an interesting name. Tell your customers how the sun can be dangerous and how your item helps. Make sure your poster is bold and bright so it catches people's attention!

A large, empty rounded rectangular box with a thin black border, intended for drawing a poster. The box is vertically oriented and occupies most of the lower half of the page.
