

# ETHERLEY LANE PRIMARY SCHOOL

NEWSLETTER – 10<sup>th</sup> September 2021

A massive thank you to all our children and parents for making our new morning and home time routines such a success this week. Staff have worked hard to make sure children enter and leave the building quickly and safely. We have been so impressed with how amazing the children have been when moving around the building.

A big well done to everyone!

## Labelling uniform

We have had a number of children misplace jumpers and cardigans this week. Can we please remind parents and carers to make sure that all uniform is clearly labelled so that if it is misplaced it can quickly find its way back to its correct owner.

## Playtime snacks

Key stage one children are able to bring fruit as a snack to eat at playtime if they would like. Could we just remind parents and carers that these snacks should only be fruit. Children in key stage 1 receive a piece of fruit daily as part of the government free fruit scheme.
