## NEWSLETTER – 25<sup>th</sup> March 2022

The sun has been shining and we've all had such a gorgeous week.

### BEAN PLANTING

Class 5 are studying how roots grow and develop and on Monday they planted some beans. We cannot wait to see them grow. Super gardening skills Class 5!

### FOOTBALL

The final round of fixtures took place on Wednesday for our Y3/4 football team. They gave their best performances of the season as they ended the night unbeaten, despite playing 5 games - what an achievement! A tight game in the first game against St Wilfrid's resulted in a stalemate with little chances for both teams. 0-0. In the second game against Sunnybrow, it took till the 8<sup>th</sup> minute to break the deadlock as Bradley swept home a loose ball in the box. The points were wrapped up in the final moments of the game when Joe struck from outside the box. 2-0. The third game against Stanley Crook was all about Zak as he struck a magnificent hattrick. All three goals coming in a similar fashion of pressing and calm finishing. 3-0. The fourth game against Blessed John Duckett was won with a tremendous sliding strike by Ethan. 1-0. The final game of the epic evening was against top of the league team Escomb who won the previous game against Etherley Lane so the battle was on. Despite having the majority of the ball, Etherley just couldn't find that winning goal and the game finished 0-0.

To go from losing the first game 0-3 to then going unbeaten in the final night shows the progress the team has made over the set of fixtures.

We are so proud to say that the team finished in third place and we really can't wait to see how they will progress. Well done team we are incredibly proud of you!

### BISCUIT MAKING

On Thursday afternoon the lovely children of Class 8 loved making biscuits to take home to their special someone to celebrate Mothering Sunday. They even managed to plate them all up without sneaking a bite!

### BOSS UP YOUR BONNET, HYPE UP YOUR HAT, LIGHTS CAMERA ACTION, YOU KNOW WHERE IT'S AT!

On Monday 4<sup>th</sup> April we would like to invite our children to bring a hat into school to decorate. All of the materials they will need to decorate their hat will be provided by school. We would love the children to be as creative as they possibly can and really let their imagination go wild. Once completed, the children will be given the opportunity to wear their hat and take part in a parade to show everyone their wonderful creations. We cannot wait to see what they create!

### REMINDERS

Spring has finally arrived and has brought the sun with it; can you please ensure that your child has a water bottle in school. As today was incredibly hot we would also recommend that if the weather continues to be warm that your child comes to school wearing suncream.

Bring in a hat to decorate on **Monday 4<sup>th</sup> April**.

School will close for the holidays on **Friday 8<sup>th</sup> April** and will re-open on **Monday 25<sup>th</sup> April 2022**.
